WARM in the news

Media coverage reference sheet · 2026

This WARM-prepared reference sheet preserves the headline, publication names and source links. It is not a reproduction or archived copy of either publisher's article.

The Sydney Morning Herald

Churches in Melbourne's northern suburbs to open to rough sleepers as winter hits

Coverage of northern-suburbs churches opening to people sleeping rough as winter approaches.

Read the original article on The Sydney Morning Herald

The Age

Churches in Melbourne's northern suburbs to open to rough sleepers as winter hits

Coverage of northern-suburbs churches opening to people sleeping rough as winter approaches.

Read the original article on The Age

The two links appear to carry the same story in different publications. Publisher access or a subscription may be required. The complete article text, publication date and publisher photographs were not available for direct verification. This sheet does not preserve the complete articles if the original links are removed.
